We will bring them up with the stars and stripes, And let them re-new an A-mer-i-can life and
for-get all strife's, When they grow up they will re-spect Old Glor - y, To the
land who's al - ways a help-ing hand when there is no wor-ry, They will be born with the
Red White and Blue, With hearts that will be true thru and thru, I'm
gon-na a-dopt some ba-bys ov-er there, for Un-cle Sammy and do my share.
