ALL HAIL DEMOCRACY OF 1917

We stand for DEMOCRACY  
With the Allies we will go  
Colors flying high and bright  
To quell the Common Foe  
We'll go forth in all our might  
Against Autocracy  
Fighting for DEMOCRACY and FREEDOM

CHORUS

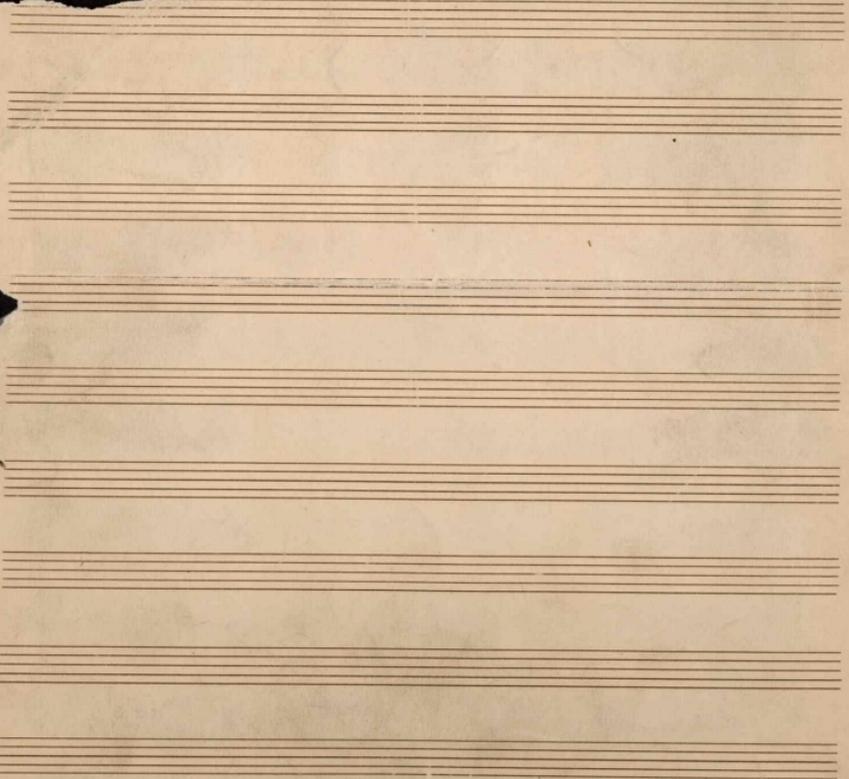

All Hail to the Allies in their glorious might  
For the uplift of all Nations  
All Hail to the Allies in their victorious fight  
For the rights of civilization -  
Our despotic foes they'll flay  
Hout the traitors and make them pay  
For their unjust and vain-glorious play  
To raze and conquer all Nations.

Our Boys are patriotic  
And in the front will stand  
Colors unfurled in the skies of blue  
In our Allies foreign land  
Old traditions will be upheld  
Of sires gone before  
Fighting for DEMOCRACY and FREEDOM

Then arise ye sons of Democracy  
Go forth into the fight  
Against the rulers of Autocracy  
And stand for FREEDOM'S right  
Keep untarnished our glorious name  
Attained by sacrifice  
Fighting for DEMOCRACY and FREEDOM
