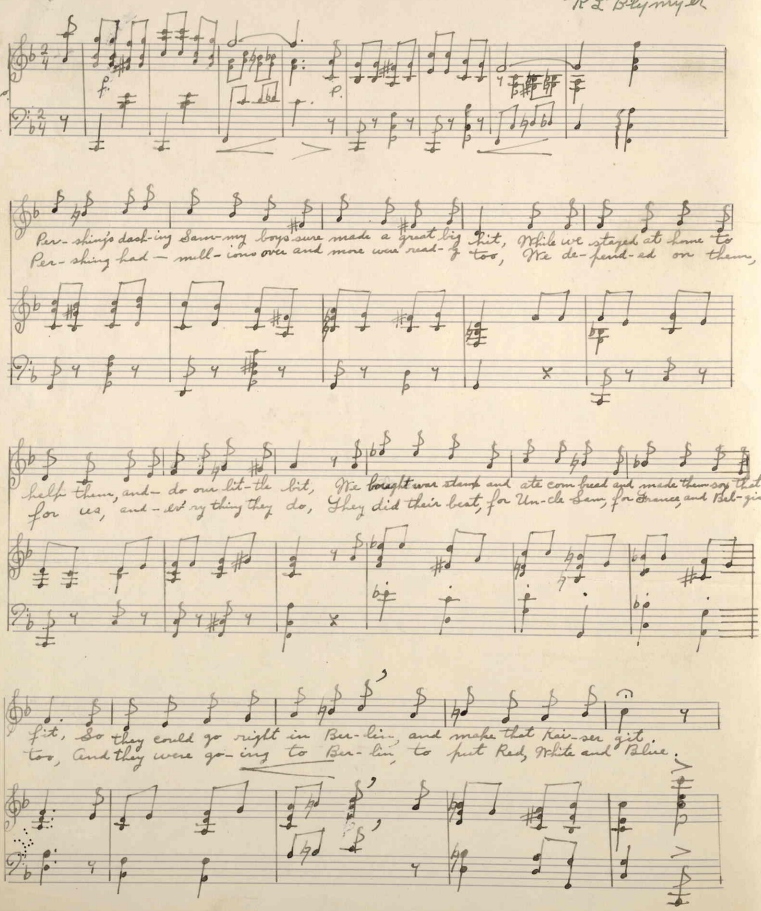
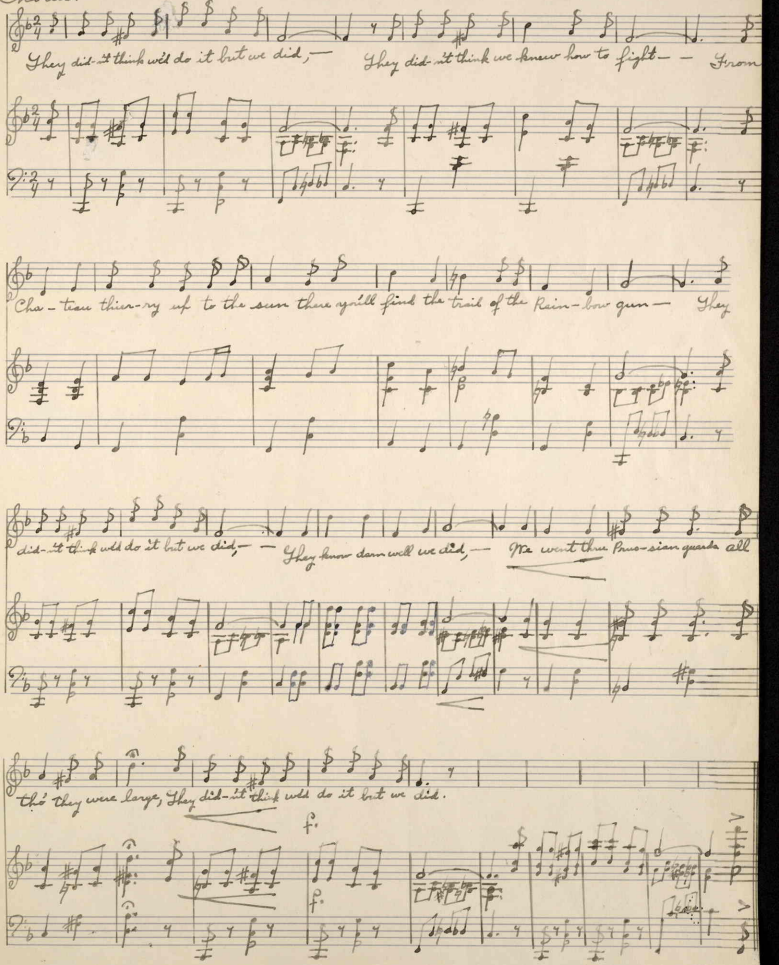
They Didn't Think We'd Do it But We Did

By R. L. Blymyer



Chorus.



They did it think will do it but we did, — They did it think we know how to fight — From
Cha - teau thier - ry up to the sea there you'll find the trail of the Rain - bow gun — They
did - it think will do it but we did, — They know damn well we did, — We went thru Prus - sian guards all
tho' they were large, They did - it think will do it but we did.
