all wrong! They did not treat them right— It's all wrong! They told them go and
fight— While ov-er there they had to stay Ov-er here they took their beer a way They nev-er gave the
boys a say Tho' they fought with all their might— It's all wrong! And now it's up to you— It's
all wrong! What are you going to do— Pro-hi-bi-tion did not win this fight I
ask you "is it wrong or right" Now shout it out with all your might, It's all wrong. It's wrong.
