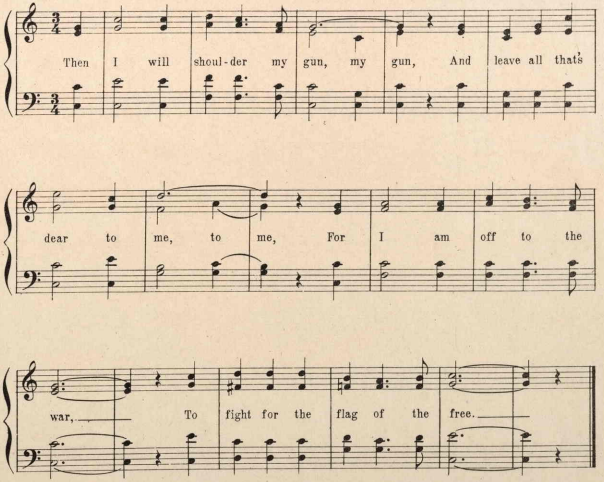
Chorus For Mixed Quartett

A Capella Or Accompanied Ad Lib



3. Old Glory is now in the fight
How the Allies they shout with delight;
And the Huns will tremble at sight
Of the emblem of Freedom and Right.

Chorus

4. When Freedom's battle is won
And the tyrants and oppressers are slain,
With praises to God above
Universal peace we'll proclaim.

Chorus

5. But should I never return
To the home and friends that I love,
I pray that we all may meet
In heaven so peaceful above.
