Trans - ports are sail - ing o'er the o - cean blue, Re - turn - ing your
Sometime in the fu - ture when you sit a - lone, Think - ing of the

lovd ones to home and you. Long have they ling - ered
glad days when you welcomed home. Many, man - y he - roes

wait - ing for their chance; Now they're re - turn - ing home from France, _____
from a - cross the blue, That they are think - ing, think - ing of you. _____

CHORUS: 2d time 8va ad lib.

When the boys have all re - turned To the

mp-f

land they love so well, We should laud and we should

praise them Just as when we said fare-well; None should want for friend or

comrade. We should all be proud of the chance That we were a -

mongst the man - y who wel-come home our boys from France. When the France.
