## Hail! The Dawn of Peace.

Words and Music by Nell Marshall.

Hail, Hail the dawn of peace is near, Look up with hope cast  
out all fear, for God above where all is love, Will  
hear our prayers and mercy prove, We are all as  
little children clinging to our Fathers hand  
If with faith we do his bidding we will reach the  
promised land, Oh God our Father,  
who art in Heaven hear us we  
humbly pray, For peace on earth for aye,  
Hail, Hail, Thy Kingdom come, Hail, Hail Thy  
will be done, To dwell in peace and love  
on earth as in Heaven above.
