

BRICK PLANT IS GETTING READY FOR HEAVY RUN

Will Burn Coal Since Rates for Gas Jumped.

The Muskogee Vitreous Brick company will resume operations on any day...

This plant was closed three several months ago when the fuel administration...

Now with the fuel restrictions lifted changes are being made in the furnace...

It is reported that the plant, when in full operation, will produce approximately 100,000 bricks per day...

C. M. Tate, former manager of the company, left Muskogee last August...

In Flanders Field

Sleep on, brave soldiers sleep sleep where the faith was you've kept and battled

poppies grow. Sleep on brave soldiers with the foe! On crimson fields by

In your places, row on row you have slept where poppies grow

The last and leaving - in the sky still drifting the torch you flung to us we caught with blessing

zinging around high away above the heads were bravely fought to Auld High To

canvases - fear scarce heard amid the guns as you guard you through night and at the dawn to lead you to light

Before you sleep in Flanders Field When you are dead from Flanders Field

copyright 1918 by L. H. Mackall.

and how many times...
