Tho.
We'll come sail-ing back o'er the sea — to you, When all our trou-bles are through. — 'Cross the
bil-low-y foam — to the old folks at home - The sun will shine and the skies will be blue. Oh, boy, boy!
first we've got to fin-ish the job — and it won't take us long — now to win; — We'll can the Kai-
-ser, And leave the Huns wis-er, Then we'll all say good-bye- to Ber-lin. —
