TO THE PUBLIC

This song, "We Hail from the U. S. A.," is being sold at the price of 25 cents per copy. During the War and until Peace is concluded between the United States and her enemy nations, 50% of the purchase price will be donated to the AMERICAN RED CROSS.

The printed copies are numbered consecutively and each one personally initialed by the author, who sees to it that each copy is accounted for. Affidavits will be secured from time to time from the printers, as to the number of copies printed, and the same turned over, together with one-half of the funds collected, to the AMERICAN RED CROSS, and so all possible chance for trickery and fraud is eliminated.
