bat-tles would all be ov-er And you would come back home a-gain.
brave-ly you fought and dear-ly you bought your trans-port home a-gain.
REFRAIN
You're home a-gain my sold-ier boy My sold-ier boy so true
There's no re-gret and you'll soon for-get The hard-ships you've been
through I've oft been sad but now I'm glad For the na-tion you did
free And you've re-turned with hon-ors earned You've come back home to me
