3. Par - take of its sweet - ness so no more ye know,

I'll show you the tree that with heal - ing is rife;  
With fruit that is rip - est most like - ly to fall;  
The hate that em - bit - ters that makes blood to flow;

Whose fruit var - ies oft with the change of the moon,  
Come take of the ap - ple so sweet to the taste,  
And the heal - ing there is in the taste of the leaf,

Come soon - er or la - ter ye can't come too soon.  
The ap - ple of love, I pray you make haste.  
Is the heal - ing of peace for the na - tions re - lief.
