BE VICTORIOUS.

Our Native Land

To the fight we must,  
And defy the thrust,  
To protect our red, white and blue;  
For in God we trust,  
When our cause is just;  
'Tis the home of the brave and true.

We'll victorious be  
On the land and sea,  
For our boys will never retreat.  
O'er wave and crag  
We'll fly our flag,  
That never has had defeat.

Columbia, Columbia,  
For you we'll dive and fly;  
O, Liberty, sweet Liberty,  
For you we'll strive and die;  
America, America,  
We're fighting hand in hand  
To save our starry banner;  
To save our native land.

Fight for the right,  
Fight with a might,  
Battle for the land we love,  
Keep Old Glory high above.  
Fight for the light,  
Fight, for 'tis right,  
Conquering all those unjust;  
'Twill be victorious.
