## Our Battle Song.

HUGH CAMERON.

J. B. OVERMYER.

1. We have heard the cry of bat - tle, And our Lord's command to go,  
2. Tho' the foe is strong and might - y, We shall more than con - q'ors be,  
3. There are crowns for faith - ful serv - ice, There are tro - phies to be won,

We have joined His might - y ar - my, And we're off to fight the foe;  
For the Spir - it of our Cap - tain Fills our hearts on land or sea;  
There are vic - t'ries nev - er end - ing, And at last our Lord's "Well done."

Days and months we have been learn - ing How to use the bless - ed sword,  
Tho' we may be far from loved ones In the thic - k - est of the fight,  
Bless - ed Je - sus, keep us faith - ful, Teach us all Thy gra - cious will,

Now we're go - ing out to con - quer In the name of Christ, our Lord.  
Yet, with Christ our Sav - iour with us, We shall put the foe to flight.  
That, when bat - tle days are o - ver, We with joy Thy heart shall fill.
