HAIL TO AMERICA!

Respectfully dedicated to the Nation's President in the hour of the Nation's need--By G. HERB PALIN.

****

Hail to America!
  Foemen beware;
United a Nation-
  Is calling "Prepare!"
Millions are listening,
  Hearts all athrill;
March martial regiments,
  Practice and drill.

Chorus-

America!--America!
  Freedom is thine;
Guard it with Army-
  With Navy and Mine.
Free on the Land--
  Free on the Sea;
Freemen Americans
  Forever shall be.

Hail to America!
  Guardian of Right!
Marshal thy legions-
  Rise in thy might.
Dangers surround thee,
  Dynasties fall;
Sons of America--
  Answer the call.

Hail to America!
  Mighty in wrath!
Slow is thy anger-
  Honor thy path.
Safeguard the Liberty
  By forefathers won:
God bless America;
  His will be done.
