## CHEER AS THEY PASS ALONG!

Boys of brain and bone and sinew,  
Boys of heart and soul so true,  
They are marching brave and steady  
'Neath the Red and White and Blue;  
With our "Stars and Stripes" above them,  
God's own courage in each heart,  
Mothers, sisters, wives and sweethearts  
Smile upon them—do your part.

To the war's red lust of battle  
They have gone at duty's call;  
You must pray, oh! gentle women!  
Pray unceasing, lest they fall.  
For the God of Good still reigneth—  
His Great Purpose must be done;  
He is there and sees with pity,  
Once He gave His only Son.

But amidst the din and rattle  
Of a world that has gone wrong;  
'Midst the shot and shell of battle  
And the sound of curse and song;  
'Midst the moans of straving children  
And the Hell of fighting lust,  
There we know that God still ruleth,  
And is merciful and just.

Oh, our country's men are marching,  
So stalwart, true and strong;  
They are marching 'neath "Old Glory;"  
Bless and cheer our boys along!  
Oh! They march for God and freedom;  
Oh! They march to right a wrong;  
So smile, and pray "God keep them,"  
And cheer as they pass along.
