Voice

Listen here, honey dear, Look who's coming down the street — Hurry up, — hurry up, Or you're gonna miss a treat — There's Rastus, wait — you'll be late, Then re-gret it; Honey mine, — They're coming, Run! Honey, Oh! listen How funny, Hear they are now passing by the door

There's Eph-ram, — There's Moses, The Deacon all dressed up in Khaki Suits of brown

Come on down; there they go!

Chorus

Hear old Ras-tus play on his flute, — Eph-ra-ham's cor-net "tooty toot" — All the folks down on the street, Have be-gun to shake their feet, — There's Moses with his big bass drum, Rum tum, tum, Listen to — them play "Draftin' Blues" — See! it sounds just like happy news, — See 'em March a-long as stiff as starch, — Play-in the Kaiser's fun-ral march — Oh, You Darktown Regi-mental Band

Hear old
