

GREAT ALLIED VICTORY SONG

“ They left their Homes and Loved ones
And fought, to WIN or FALL”

FOR
FREEDOM
AND
HUMANITY

The NOBLEST CAUSE of all”

MUSIC BY

Newton Ponsonby.

Ho! **Land of Stars!!** your “Old Glory” waves
The **ambient** words, “**Out West ;**”—
Say! Why did you send your **virile** Sons,
Your **Ablest**, your **Bravest** and **Best** ?
Twas for **no King** or **Country**,—
Nor **Church**, nor **Power** nor **Gain**
Your **Free** men crossed the ocean wide
And joined their **Allied Main**.
They left their **Homes** and **Loved ones**
And **fought**,—to **win** or **fall**
For **Freedom** and **Humanity**,
The **NOBLEST CAUSE** of **ALL**.

WORDS BY

J SPRY-PALMER

Highest upon “**The Immortal Scroll**”
Is written (to “**stand all time**”),—
In letters of “**Pure Eternal Gold**,”—
Simply the “**Story**,”—sublime.

“ By **Allied** combination,
The **Victory** was won,—
By **Union of Democracies**
Who **joined themselves in one**:—
They **fought**, they **bled**, they **conquered**:—
They **broke tradition's thrall**.
For **Freedom and Humanity**:—
The **NOBLEST CAUSE** of **ALL**.

Next on “**The Scroll**,” a “**Great Divide**”
Is marked by **space and line**,—

Then,—**great** is the **change** from **old to new**,
Reason beginning to shine.

“ In **Nineteen-eighteen — Nineteen**,
The **virtual END OF WAR**:—
The **Epoch of “Universal Peace”**
To **rule on Sea and Shore**
By one great “**League of Nations**,”
Created at the “Call”
“**For Freedom and Humanity**,”
The **NOBLEST CAUSE** of **ALL**.
