The Allies Great Peace Ball

Ive just recd a letter
Its dated Paris France
It contains the latest gossip
It concerns the latest dance
My letter is of recent date
Now listen and Ill transalate

Chorus.

Oh they sent out invitations to the Allies Great Peace Ball
Almst all the mighty nations had responded to the call
The King and Queen of Italy arrived there all in State.
The King and Queen of Belgium sure got there rarthar late
The President of France and the Ex-Queen of Greece
Sat out their dance while they talked about peace.
Oh the music it was grand for they had a Dixie band.
Everyone was dressed in State-Oh the costumes they were great
But the greatest hitbof all at the Allies great Peace Hall
Was when Mr. Woodrow Wilson was escorted down the hall.
And they say Ex-Kaiser Bill was at a peeephole in the wall,
But he got no invitation to the great Peace Ball.

2.

Of Kings there were a plenty
Of Queens there were a few.
But the Ace took all the honors
When he showed them something new.
It surely was a swell affair
The swellest of the swells were there.
