3rd verse

The Kaiser spells it's me und gott, then goes into a trance  
 while Hindenberg takes Mustard Gas and swears he'll swallow France  
 The Clown Prince' chin is caving in, he drinks limburger tea  
 Still they don't tell us how the germ  
 got into germany.

4th

Now we will find a serum for these Autocratic bugs,  
 Doc Wilson has a remedy for Military thugs,  
 his iron pills, will cure their ills, as Berlin Bill will see  
 then we'll knock the hoch der Kaiser  
 And germs from germany.

5th

Now when the war is over and the huns are humped with hate  
 oh, won't that be a jolly time for all to celebrate  
 in all our days, we'll sing the praise of Allies staunch and true  
 old England, France and italy  
 And little Belgium too.

6th

Since days of old our skippers bold have brought from o'er the sea  
 All sorts of Junker Merchandise, marked made in germany  
 But from this war, which we deplore will come the happy day  
 when things in trade are marked and made  
 in good old U. S. A.

*Final* Chorus

And, not in Germany, no not in Germany  
 Their Kulture quacks, should try tis plain  
 To find a serum for the brain  
 but their big heads you see, like an old chestnut tree  
 Are full of knots and buggy spots  
 And germs in germany. *Repeat*
