Marching with Old Glory and the dauntless three, to victory to victory,
Marching with the Starry Flag and Allies three, to victory to victory,
Marching neath the Starry Emblem of the free, to victory to victory,

Marching with the flower of Europe's chivalry, resolved on victory,
Marching where the Union Jack is floating free, resolved on victory.
Fighting for the cause of right and liberty, that all men may be free.

CHORUS

France and Belgium, brave and leal, Ground beneath oppressions heel,
Side by side with Comrades three, Comrades three Comrades three,

Now the thrill of freedom feel, On to victory.
Fighting for humanity, On to victory.
