Your Land And My Land

There's a wonderful land of Freedom.
A land of the brave and free,
With homefires always burning,
For Soldiers of Liberty,
Where loved ones are anxiously waiting,
To welcome us home once more,
To Your Land and My Land,
After this cruel war.

CHORUS

Your Land, My Land,
Sweet Land of Liberty,
Your sons will rise in all their might
That all men may be free.
We'll fight and die in Freedom's cause,
And crush the Tyrant's power,
That Your land and My land,
Forever may endure.

There's a wonderful land of Freedom,
With a cause that is just and blest,
We've heard her call to duty
To help all those oppressed.
Her sons will humble the tyrant,
Bring Liberty home once more,
To Your land and My land
After this cruel war.
