*Tempo di March*

Be - yond the Rhine we'll march in line Boys. On to Ber - lin we will go. To

con - quor, chasten and sub - due them the hordes that plunged this world in woe. In

war to serve the Kais - er's mad - ness, this war that seals his doom for aye. We'll

fight the fight, it's for the right, Boys. For - ward march we're on our way.
