Yes-or No?

Is there any surer or safer way to save than by the easy payment W. S. S. plan?

Yes-or No?

Is there any other investment I can make where my savings are absolutely guaranteed against any decrease in value and still return such good interest?

Yes-or No?

Is there any other investment in which I can get my money back in full with all interest it has earned any time I may need it?

Yes-or No?

Is there any other investment in which my money will do as much good for my country and serve me at the same time?

Yes-or No?

Have I done my full duty to the "Boys Over There" who have fought my fight and won it for me?
