To win a just and noble cause,
Our boys in khaki would not pause,
But went to it with the motto,
"Do or die."
And while cannon shell and shot,
Were flying round about,
They were up and at it,
With this battlecry.

Chorus after 3rd verse

We are in it boys to win,
And we deem it not a sin,
If we make the Hun retreat boys on the run,
For as sure as you and I,
Get at them if we try,
We won't let them do,
But we can make them die.
