Here Comes America!

Words &amp; Music

by John Anthony Ross

When Uncle Sam cast his lot with the Allies  
It brought joy to every heart across the sea  
They knew when Uncle Sam went into battle  
To them it meant peace, life and liberty.  
Russia, France, England and Italy  
All stood up and sang with glee.

## Chorus

Here comes America  
The boys of Liberty  
Here comes the Red, White and Blue  
To fight for humanity.  
Columbia stands for justice and freedom  
Backed by the sword of might  
And the day that brings us peace with victory  
We can all thank the Stars and Stripes.

2

Uncle Sam sent his gold to the Allies  
He endangered lives and ships to send them food  
He heard them call and answered all their war-cries  
His readiness to help has oft been proved.  
When they heard our boys were on their way  
They all shouted, Hip-hooray.
