LIBERTY FLAG

Be-hold the flag that makes you free!
Has sailed a-cross the deep blue sea;
And there will cheer our com-rades, and the na-vys fleet,
For the flag that nev-er, nev-er knew de-feat,
Will lead us on to vic-torys call,
For might and ty-ran-ny must fall,
Be-fore the peace we love can ev-er we re-call,
And theres jus-tice dealt to all.

Be-hold our flag so great and grand!
Is wav-ing O'er a for-eign land;
To cheer and com-fort those who ral-lied to the call,
For they know our flag shall nev-er, nev-er fall,
And we will fight to make men free,
And to pro-claim de-moc-ra-cy,
Then ev-ery man will praise God with a joy-ful theme,
For his love shall reign su-preme.
