Our Liberty Bell

1.
Ring out dear Liberty Bell
Ring out both loud and clear
Ring out the tone of sadness
Ring in the voice of cheer
Ring loud for heroes brave
Who fought a bitter fight
To save the day for Liberty
And teach the Teutons right
Ring out Liberty

2.
Ring out as you never rang before
Let Liberty's tongue toll clear
Ring out the world's historic notes
To sound in future years from you dear Liberty Bell
Let peace and plenty here abound
Freedom in all lands unite in one harmonious thought
And grasp dear Liberty's hand.

3.
Ring out dear Liberty Bell
Each note our lives enshrine
May they shine out a beacon
Deep in our hearts entwine
Echo from belfry tower
Resound from shore to shore
That welcome sound of Liberty
To remain for evermore.
Ring out Liberty

Encore verse:
Ring out dear Liberty Bell
Ring out our nation's pride
All hail our noble President
And shout his glories wide
He paved Liberty's way
Ring out your mission well
Ring out ring out for Liberty
Ring out dear Liberty Bell
Ring out Liberty.

Respectfully Dedicated to our President of U. S. A.
