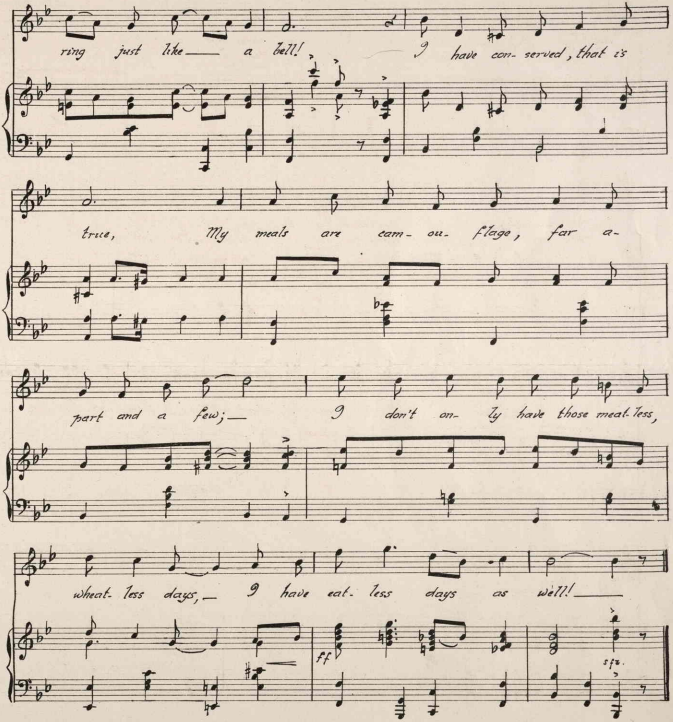
"I've con- served for days; If goin' with- out your meals is pa- trio-
bring the foe de- feat." Said I, "Now, bro- ther, just let up and
tism. I've cer- tainly got those pa- tri- o- tic ways. 'Cause
quit, When it comes to eat- ing noth- ing I'm doin' my bit!"
Chos
I don't on- ly have those meat- less, wheat- less days, I have eat- less days as
well. A meal in my sys- tem, to tell the truth, would



ring just like a bell! I have con- served, that is
true, My meals are cam- ou- flage, far a-
part and a few; I don't on- ly have those meat-less,
wheat- less days, I have eat- less days as well!
