Refrain (with moderate swing)
Keep the love-spark burn-ing in your heart, dear, Keep the love-light shin-ing in your
p-f
eyes And when the twi-light rest is bring-ing Let mem'-ry's bells be
sweet-ly ring-ing Let the star of hope be gleam-ing, dear - ie, Tho' the
o-cean keeps us far a-part While the days may seem long and dark and drear -

ie, Keep the love-spark burn-ing in your heart! Keep the heart!
