"For the U.S.A.AND YOU!"
Marguerite Sutton.

1

Love, I know my country's calling;
I must hasten to obey;
I love the dear old Stars and Stripes,
And the grand free U.S.A.
I'll give my life, if my country demands,
For the Red, White, and Blue, and Uncle Sam;
Then, promise dear that you'll be true,
To the soldier boy who loves you, too.

CHORUS:

For I'm ready to fight, for dear Uncle Sam,
To you both I will betrue;
I'm going to join my country's ranks,
For the U.S.A. and you.

2

Hark I hear the brazen bugle,
And I know that it calls me,
I love to linger at your side,
But I must go o'er the sea;
I'll give my all, so you will, I know,
For the Red, White, and Blue, and Uncle Sam;
Then, promise, love that you will wait
For the soldier boy who loves you too.
