# FIGHT, BOYS, FIGHT!

1. The Kaiser is a hypocrite, at least it so appears,  
For while he posed as peaceful, he spent all of forty years  
In making ready for a war, both murderous and cruel,  
To force all people of the earth under his satanic rule.

## CHORUS

So fight, boys, fight, fight with all your might,  
Fight, fight, you are fighting for the right,  
Then on ye soldiers, on to war, fight as men ne'er fought before,  
Fight to make God's people free,  
Fight for world wide liberty.

2. Old Kaiser Bill has a God he chums with day and night,  
His God is not our God, you bet, well not by a damned sight  
The God we men all worship is one who would release  
This dear old world from fighting and bring universal peace.

*(Chorus)*

3. Uncle Sam has found the way, because he had the will  
The way has now been opened, so we're after Kaiser Bill,  
America is in this war, and she is in to win,  
And Uncle Sam is on the road to the city of Berlin.

*(Chorus)*

4. America had the will, she also had the way  
She sent her armies over, and she sent them there to stay  
The boys will all go over and they must go by boat,  
And now just let me tell you that we're after Billie's goat.

*(Chorus)*

5. England, France and Italy, our three brave Allies,  
We all would sing their praises 'till they reached clear to the skies,  
To underate their bravery we could not abide.  
But Uncle Sam is in this war to get the kaiser's hide.

*(Chorus)*
