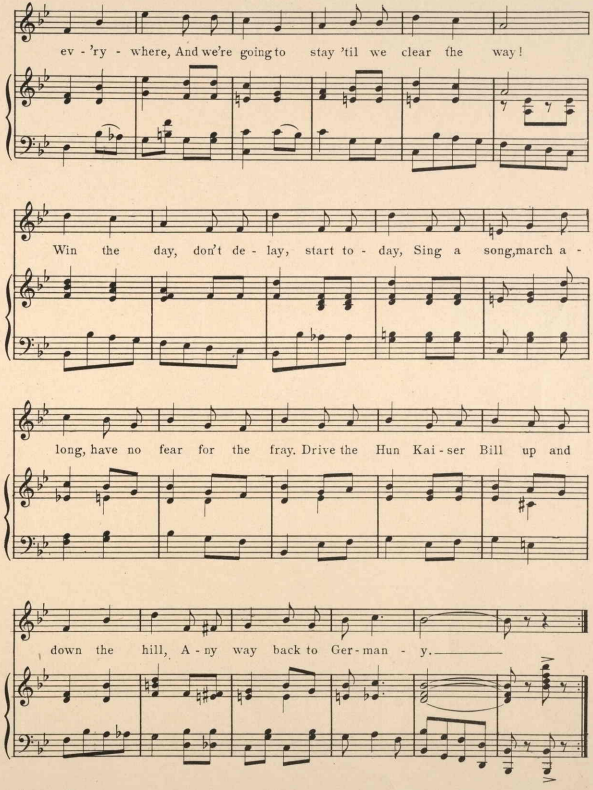
Sound it as they used to sound it on the way,
When they saw the Yan-kees from the U. S. A.
As we go march-ing to Ger-man-y.
Com-ing to help them fight Ger-man-y.
CHORUS
Come, boys, come, get the Kai-ser on the run, Come, boys,
come, show the son of a gun, That we're here, that we're there and



ev - 'ry - where, And we're going to stay 'til we clear the way!
Win the day, don't de - lay, start to - day, Sing a song, march a -
long, have no fear for the fray. Drive the Hun Kai - ser Bill up and
down the hill, A - ny way back to Ger - man - y.
