Lovingly inscribed to our President Woodrow Wilson and nation of

THE LAND OF LIBERTY.

Tempo di Marcia

Words and Music by J. TAFTE.

THOUGH the foe Milli-ons stand, With their gun and sword in

hand. Yet our con-quest will be re-newed, un-til our

foes are sub-dued, With pride we smile a-cross the deep blue

sea. The U. S. A the land of Lib-er-ty.

| 1 | Our land will prevail; | 2 | When the cruel nations falls |
| | Our cause can never fail, | | There'll be freedom joy for all |
| | With The Stars and Stripes unfurled, | | All the world will toil in peace |
| | Sweet mercy smiles o'er the world | | God's love for all will increase; |
| | The land so dear that all her foes o'er came | | Their Guide, their Guard, their Friend; we will be |
| | The U. S. A. it is the Conquerors name, | | The U. S. A the land of Liberty. |
