## WE CUT IT OUT BECAUSE WE HAD TO

Dedicated to the conservation cause.

Moderato

Our government says, cut out the drink, to help us win the war, — What our government says

we know is right, we're bound to win this fight, Con - ser - va - tion is the by - word  
Pro - hi - bi - tion is a com - ing

now - a - days — Save on the wheat, corn, bar - ley and the rye, So we'll  
some fine day, — Make up your minds it's com - ing here to stay,

all stand round, and have a lit - tle drink of good old H - 2 - O!

## CHORUS

Not too fast

We cut it out be-cause we knew we had to, We ought to, we're going to, The

boys o-ver there have done it long ago, They're on the fir-ing line, For we've

all been good fel-lows, And we're now on the le-vel, We

cut it out be-cause we knew we had to, We've GOT to THAT'S all.
