Thy prayer sub-lime, O Prince of Peace, Was that Thy chil-dren might be

Thy prayer sub-lime, O Prince of Peace, Was that Thy chil-dren might be

Thy prayer sub-lime, O Prince of Peace, Was that Thy chil-dren might be

Thy prayer sub-lime, O Prince of Peace, Was that Thy chil-dren might be

one; When shall our strife and dis-cord cease, And when Thy bless-ed will be done?

one; When shall our strife and dis-cord cease, And when Thy bless-ed will be done?

one; When shall our strife and dis-cord cease, And when Thy bless-ed will be done?

one; When shall our strife and dis-cord cease, And when Thy bless-ed will be done?

2. O grant us, grace with Thee to mourn
All misconceptions that divide,
And may our souls with sorrow torn,
Be stripped of prejudice and pride.

3. Oh great, constructive force of Love!
Thy balm divine alone canst heal,
Pour down Thine unction from above,
And make us all our kinship feel.
