Lib-er- ty called to us;
But on the bat-tle front,
We came like fall-ing sand,
We took our fight-ing stand
Drilled in the can-ton-ments,
We're out to show our- mans,
Way back in Yan-kee land
Mah- ozw-ova Sun-per ground
Brought a- cross on trans-ports,
And to Kai- ser Mil- helm,
Some-when in France we stand,
This mes-sage you can hand:
But when du- ty calls us;
Ac-ross that Rhine old chap,
You'll find us right on hand.
Our Yow-ery hand com- mand.
