There's a sum-mons for us all. All of our God-
Ev-il does their rul-ers lead. We can-not re-
They do crush be-neath their tread. But their time is
A great time of "right-eous peace!" Then all rac-es
giv-en pow-ers' Gainst those ev-ils we must use. As—
deem the mil-lions That thro' them have now been slain; But—
al-most end-ed Right the vic-to-ry shall gain. God and
and all na-tions shall true broth-ers, sis-ters be. All the
true heart-ed men and wom-en. We, can-not our best re-fuse.
we will re-lease the cap-tives, They do hold in cru-el chain.
Love in—spire our arm-ies Ev-il ones no more shall reign.
gold-en-rule o-bey-ing Earth no more a war shall see.
