Moderato.

Voice.

We are the loy - al sol - dier boys, Of the grand old U. S. A.
Old U. S. A's sol - dier boys, Will sure - ly catch the beast.
So when the Ger - man pop - u - la - tion, Old Glo - ry they did see,

Who left our homes and coun - try, That this world may be Free.
Who caused this war and set at naught, All trea - ties of the least.
Com - ing through No Man's Land, From the land be - yond the sea.

That Ty - rants rule and des - pot sway, No more this world shall see,
But He will find and that in time, His throne will not ex - ist.
They wept with joy - ful tears and could Not cease nor be re - strained

For we are bound for No Man's Land And Ber - lin in Ger - ma - nee.
For Un - cle Sam has set his mind And it's use - less to re - sist.
For they knew 'twas the Hon - ored Flag That would loos - en up their chains.
