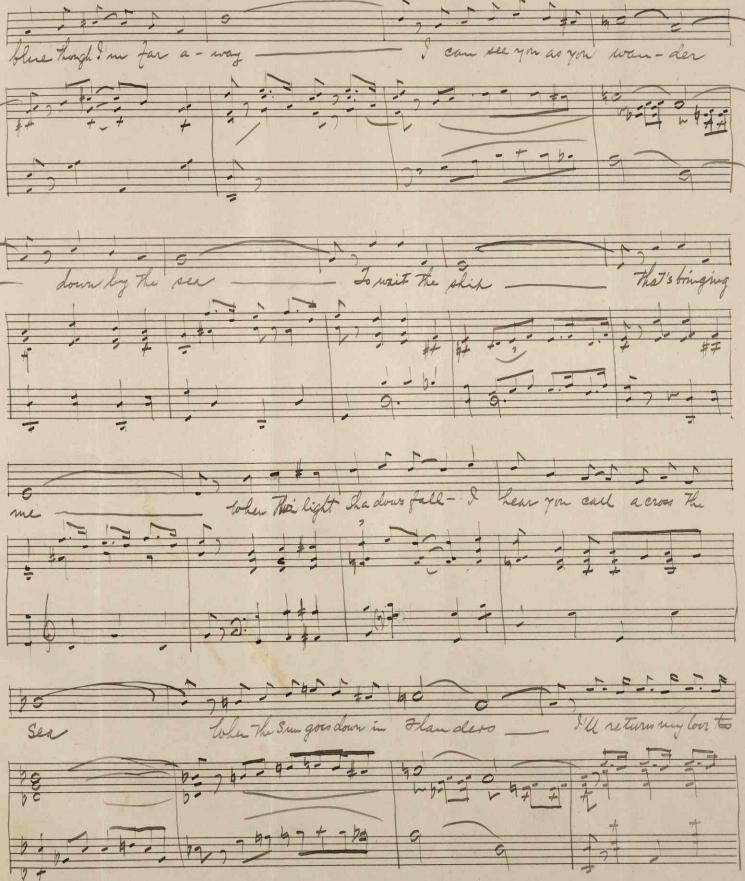
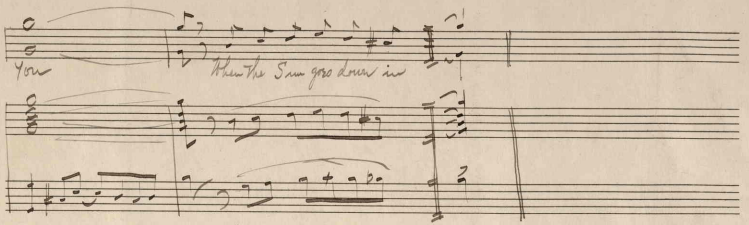
Refrain
When the sun-shine's gone in Flan ders — I'll bring to you — my heart so
true — a-wait-ing me do — And al-though the night seems
sweet - ly — The days seem gray — I will be true love to you don't be



blue though I'm far a - way
I can see you as you wan - der
down by the sea
To wait the ship
That's bringing
me
when the light shadows fall - I hear you call across the
sea
when the Sun goes down in Flanders
I'll return my love to



You
