THEY TOOK DOWN THE KAISER BILL.

Allegro.

Words and Music by C. W. WELSH.

1. Our boys went o - ver the sea that's deep, And caused old Kai - ser Bill to mourn and weep;
 2. The Kai - ser sat high on his throne, And made his wants and wish - es known;
 3. Our boys went o - ver the deep, blue sea, And fought for lib - er - ty for you and me;
 4. The Kai - ser had it taught in school, That he from God had a right to rule;

They brave - ly fought and marched right on, And old Kai - ser Bill brought down, brought down.
 But our boys went on, kept gain - ing ground, Till they had old Kai - ser Bill brought down.
 They had old Kai - ser Bill brought down, And from him took his shin - ing crown.
 But our boys went o - ver, an ar - my strong, And proved to the world that he was wrong.
