CHORUS
Oh Yan-kee Doo-dle is the tune we all know how to play And now a-cross the o-cean we can
hear it ev'-ry day. We've just be-gun to teach the Hun the Yan-kee Doo-dle do I
think he'll do the doo-dle by the time that we are through. So whis-tle up! whis-tle up!
ev'-ry-bo-dy now Hur-ry up! hur-ry up, we're going to show him how. And when the war is
o-ver, then I think he'll un-der-stand That Yan-kee Doodle put the "Do" in Yan-kee Doodle Land.
