From the earth to the sky came hu - man - i - ty's cry..... For free-dom for - ev - er for
In the van with the rest, may our ef - forts be blessed... For free-dom for - ev - er for

all..... And ech - o - ing clear, sounds a mes - sage of cheer..... Our coun - try has
all..... With du - ty well done, and a peace just - ly won..... With hon - or to

an - swered the call..... With Glo - ry un - furled we will show to the
both great and small..... Though loved ones we give that sweet lib - er - ty

world No ty - rant our cause may en - thrall..... And ne'er will we stop go - ing
live With pride in our hearts we'll re - call..... The ones who did dare, with their
