AMERICA TRIUMPHANT.

Words and Music by THOMAS D. WARE.

Moderato. mf

1. Tri - um - phant! Thou A - mer - i - ca! With those who stand for peace,
 2. 'Tis life that's plant-ed in thy blood, And this the power that saves;
 3. So loy - al is thy sym - pa - thy! So true in ev - 'ry test,
 4. The sac - ri - fice of age and youth, So val - iant - ly was made,

That binds the na - tions in a league, That cru - el war may cease.
 Now oth - er lands be - sides thine own, A - dorn thy he - roes' graves.
 To vin - di - cate the sa - cred rights Of all who are op - pressed.
 Thy grim and sa - cred du - ty led, To gun and sa - ber blade.

Thy scep - ter is a badge of truth, Thy crown is jew - eled bright,
 This vir - ile man - hood broad - ly sown, O'er all the land and sea,
 'Tis free - dom that in - spires thee! A - like for great and small!
 Now let thy flag of free - dom wave, To ev - 'ry man a friend;

With vir - tue from thy ver - y youth; And these de - clare thy might.
 Will bring a har - vest rich in love, And spread thy lib - er - ty.
 A u - ni - ver - sal fel - low - ship, With lib - er - ty for all!
 Thy stars and stripes de - clare to all That tyr - an - ny shall end.
