Sher-man said it is This blood - shed is just a wea - ry wea - ry dream
num-bers heart and hand Should a war a - rise 'twill be the means of peace

Day by day they fight and die, We hope each and ev - ery na - tion by
The day we are wait - ing for, Then this whole world in its beau - ty will

Where men like cat-tle are driv-en off to bat - tle, War certain-ly is what
We're at the cris-is they think our hon-ors price-less, We're with him strong in
