"Democracy"

HELEN ALberta Vance.

1

The Blue and Gray of yesterday fight side by side with equal pride,
In service for the U.S.A., that our grand Nation [redacted] glorified
And hearts and hands they all unite to see our Glorius Flag unstained,
To see the world's wrongs all made right on land and sea for "emocracy.

CHORUS.

Liberty for Humanity in Victory for Democracy;
The U.S.A.Yanks and the British Tanks, are fighting in the Allied ranks,
With the Hunn on the run to Kingdom come, Liberty shall always be
With wars to cease and a lasting peace, through grand Democracy!

2

Red, White, and Blue--the Allies, too, with flags unfurled to save the world,
Our boys in honor dare and do, give blood and lives for me and you;
That Justice heart beats unafraid, the flow'r of Freedom bloom ne'er fade
To see the whole wide world set free, on land and sea for Democracy.
