"Johnnie Get Your Gun!" Henry R. Kelsey.

1

1  
 Johnnie get your gun and go and join the Army;  
 For your Country calls you, ev'rywhere;  
 When you are in jail, say these words to your comrades:  
 "Cheerup Comrades when Peace is declared  
 You will see your home and friends once more;  
 Go and get your gun, and fight some more!"

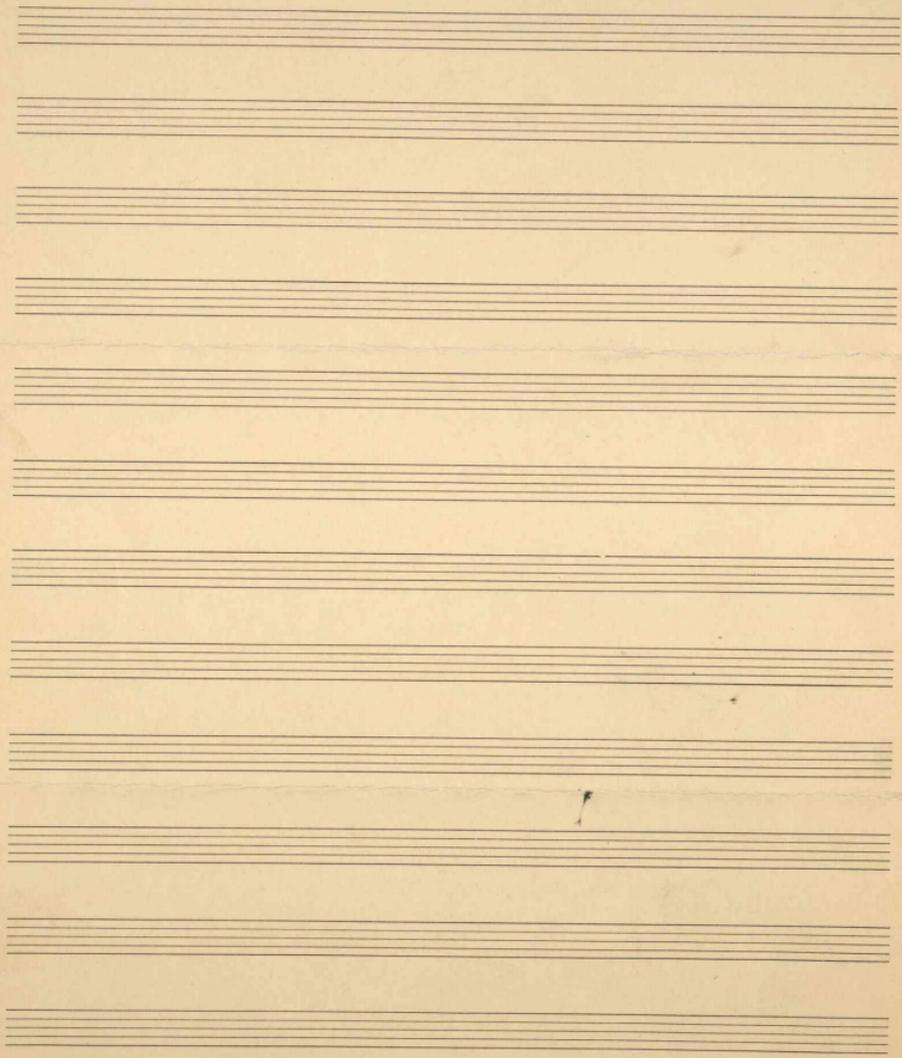

CHORUS.

Johnnie, get your gun--go and join the Army!  
 Johnnie, get your gun! get your gun!

2

Johnnie, get your gun and go and join the Army--  
 For your Country calls you, ev'rywhere!  
 Say to Mother dear "Of you I'm always thinking,  
 Tho I'm far from home, I'll do my share!"  
 When the cruel distant war is o'er;  
 I'll be coming back to you, once more.
