"Protect Your Home With A Liberty Bond!" W?C.Brookshire.

1

Come, aid the new Liberty Loan; protect your family and your home;
Protect our boys on land and sea; protect our Flag of liberty!
If you, friend, cannot meet the foe, you have some dear ones who must go;
They give their lives on battlefield, mid cannons' roar and flash of steel.

2

For you they answey Country's call; what e'er it be--to stand or fall;
They offer lives, and strength and might, for liberty and freedom's right;
If they can make this sacrifice, through conflicts can protect your life, go
Then joy and peace and wealth you'll hold, and buy the Bonds, they're good as

3

The best investment you can make, so buy for Home and our boys sake,
Buy, and support, Red, White, and Blue, the Flag that always sheltered you; (Hun
When you buy Bonds, 'twill mean more guns, to beat to earth the trait(rous
They'll speak for pure Democracy, free all from vile Autocracy.

4

Twill bring peace quickly to Mankind; and end a bloody war designed,
By xxxxxxxfoes of our Humanity, who hate Freedom and liberty;
Twill bring back home the boys we give, who pass the struggle and still liv
Bring gladness, too, and tears of joy, as Home again come soldier boys.

CHORUS.

O'er all the land and all the sea, 'twill bring a peace that e'er will be,
Twill make all wars cease for all time, eternal peace--yes, peace sub, ime--
And the Stars and Stripes through the ages shallwave,
O'er the land of the Free and the Home of the Brave.
