"Sammie And The Cuckoo Clock" Minnie Hagon.

1

Oh it can't be as late as I just heard you state;
For I never came till half past eight;
Ev'ry time that I think of what I want to say,
Then you jump out with the time of day!
By Sammie you are not respected--By Uncle Sam I was selected.

2

Why don't you right about with that old knowing face,
When there's company around the place;
For you neve give me not a half minute's time,
If secrets somebody has in mind!
It is my Lassie, I must win--for Uncle Sam is needing men!

CHORUS.

Oh it is my Lassie that I love, and my country that I serve,
How I long to abide by her side, now that we made the Kaiser run and hide!
Oo, cuckoo, cuckoo, any old time--for my Lassie and I we will not mind.
