"The Whole U.S.A. Is Back Of Us" With Perry Milens.

1

I had a talk with Uncle Sam, and this is what he said;
"All of our States are back of me--they all say "Go ahead!""
Theres Arizona, Arkansas, New York and Maryland,
With Tennessee, and Idaho--they're with me heart and hand;
Montana and Nebraska, march with Maine and Ohio;
Vermont, and Oklahoma, too, with California, go;
Virginia, Texas, Georgia, and Kentucky, want to shine;
Iowa, Kansas, and Wisconsin, Utah--they're in line.

CHORUS.

The whole U.S.A. is back of us,
And back of us to stay;
So look out Mister Hun,
We're going to lick you fun--
For we're backed by the whole U.S.A.

2

Old Massachusetts stands by me, and Pennsylvania, too;
Rhode Is. Virginia, and the two Dakotas, "We're with you!"
Nevada, Illinois, and Little Rhody they all in;
New Hampshire, Indiana, and New Jersey'll help to win;
Louisiana, Mx and New Mex, Wyoming, Oregon,
Are ready, so are Alabama, xxx likewise Washington;
With Florida and Michigan, and Colorado there,
The Carolinas, Mississippi and grand old Delaware.

3

Connecticut, the D. of C., and Minnesota stand,
With Porto Rico, and Hawaii to battle for our land,
The Philippines, Alaska, too, will all get in the game,
Till Liberty around the world shall be more than a name;
The battle cry of Freedom, makes the states all shout and sing,
From Pole to Pole; from East to West, just hear the slogan ring;
The Boche will think a cyclone struck his Emperor some day,
Because we're all united in the grand Old U.S.A.
